

the bucket ministry

Sharing God's love through the gift of clean, safe drinking water

We would like to share the 3 non-negotiables of our process so that you understand the heart of The Bucket Ministry

- The Gospel of Jesus Christ will be shared whenever a filter is distributed
- Recipient data will be collected
- Follow up visitations will be conducted (at least 3 in the first 4 months)

For more information please see www.thebucketministry.org
